# The Year In A Nutshell

*Handwritten text, likely a caption or description of the scene.*

On SEPTEMBER 6 the Oakwood Schools opened their doors for the 1955-1956 academic year with 817 students enrolling in the senior and junior high schools. For the next week the buying of workbooks from Mrs. Kuntz in the senior high bookroom was a familiar scene.

OCTOBER brought football and all the thrills that accompany it. Barabara Oelman was chosen by the senior boys on October 10 to reign as homecoming queen for the winning 1955 football season.

In NOVEMBER the senior class play, *Stardust*, was the main item on the agenda. By double casting, 33 seniors had acting parts in their final class play. November 18 and 19 were the nights this memorable play was presented.

In DECEMBER the senior prom, "Christmas Carol," was the shining event. Over 300 students and alumni were present at this fabulously decorated prom held on the night of December 23.

JANUARY 18, 19 20 were the days set aside for semester exams. During the half hour intervals allowed in the exam schedule, most students took time out to enjoy the heat of snow that had fallen. But seniors like Ed and Harvey Brickley, who also had College Board and Senior Scholarship Tests on January 21, spent most of their time studying.

FEBRUARY was centered about basketball. Six-foot five center, Bob Gaunt, led the team from \_\_\_\_\_ team. \_\_\_\_\_ held on February 20. \_\_\_\_\_ Evans resigned as \_\_\_\_\_ of the Basket Ball held at \_\_\_\_\_ Branch YMCA after the game, which was the last one of the \_\_\_\_\_.

MARCH brought another great dramatic production to the Oakwood stage the junior class play, *Time Out for Ginger*. March 9 and 10 were the nights on which the juniors showed their acting skill. Although only 20 were in the casts, many more helped behind the scenes to make this play a successful production.

In APRIL the students headed outdoors again for spring sports—golf, track, tennis, and baseball. These boys in their respective sports' uniforms were familiar sights on the playing field after their return from spring vacation on April 2.

MAY was a time for music with the band concert on May 4, and the senior high chorus concert on May 18. Here, at the May 18 production, Bob Williams is preaching a lively sermon with the senior high chorus as background for "The Gospel Boogie."

JUNE brought final exams and graduation. The seniors could not wait until the big night to try on those caps and gowns. June 8 was the eventful day—final day of school, award assembly, graduation, and senior all-night party. The seniors are finished at Oakwood High School now and can only look back at those happy days with fond memories.

is one of which the students can be justly proud. The teachers spent much extra time helping students in extracurricular activities as well as in academic pursuits. The room changes made this year seem to have worked out well. Having printing and mechanical drawing in one room was a great improvement, and the art department's reduced space did not hamper the students' output of masterpieces. The new choral music room was a much needed addition. This year brought a new exam schedule with students reporting to school for examinations only. This innovation was welcomed by both students and teachers.

## *This year Oakwood Classes*

reached an all time high of 821 in total enrollment. Oakwood is not expected to become much larger because of the limited undeveloped housing area in the school district. The largest class was the seventh grade with 162 students, while the smallest was the senior class with 100. Scholastically the classes did exceedingly well this year, with 29.7% of the students making the honor roll. As usual, over 90% of the seniors are planning to attend college next year. Oakwood is proud of all the classes who have brought honor to the school.

A dense, abstract pattern of small, dark, irregular shapes, possibly representing a microscopic view of a material or a highly textured surface. The shapes are scattered across the entire frame, creating a complex, non-repeating texture. The colors are primarily dark grey and black, with some lighter, off-white areas where the background is visible. The overall effect is one of a highly detailed, granular surface.

Then there were the weeks of practice for baccalaureate and graduation. Right after final exams the big week was to be held at Westminster Church on June 3 and graduation at the NCR Auditorium on the evening of June 8. The baccalaureate service was held at the Metropolitan Community Church in the afternoon and the graduation service at the NCR Auditorium in the evening. This was the grand finale for the graduating class of 1956.

# Juniors Final

Have you come thoroughly familiar with the senior high, the juniors have enthusiastically participated in all school activities.

In the sports' field ten junior boys received football letters. These included Nick Warring, Dave Grout, Frank Holloway, Jim Arn, Harold Corwin, Bob Gieringer, Walter Scheidt, Charles Phillips, and Pete Vandenburg. No one will ever forget the runs Nick Warring made to lead us on to victory. Nick was also a familiar sight on the basketball floor, along with Cap Phillips, Bruce Abel, and John Tarrant.

Letters were not the only ones to shine in sports; however, 17 junior girls received letters. Laura Johnson and Geraldine Morris played on the coveted basketball team and helped achieve another winning season.

Cheering the boys on to victory, Sally Madden was the only junior cheerleader, while Laura Johnson was chosen alternate.

The speech program also claimed many of the juniors. Edman Gray, Jack Heyde, Martha Ross, Peggy Pees, and Judy Van Scoyk heaped more honors on their class by winning in extempore, oratory, and humor.

The class of '57 also acquired a celebrity in Sondra Wood, who not only had her own disc jockey program this summer, but also emceed many junior parties.

The juniors also shone in art where Jane Nicholas won an award for her outstanding work in still life drawing.

# Plan For Year

In the musical world they again proved themselves to be worthy of recognition. Both the girls' and boys' ensembles sang at many social and civic clubs, while those who have heard the girls' quartet, "The Fortunettes" have agreed that they are among the best.

Under the leadership of their president John Smith, the juniors decided early this year to choose a distinctive and attractive class ring. They enjoyed sporting their new treasures and showing them off to admiring underclassmen.

Sharing was the by-word of the juniors. Not only did all the homerooms fill Thanksgiving baskets, but S-21 also contributed to The Reverend Raymond Riels' "Boys' Town Project."

Introduction to the public library via research themes was not the most pleasant activity for the juniors. But they proved that they could work as well as play, and they found research themes not so bad after all.

Highlighting the year was their prom, "Amid Amusements". Depicting the life at a carnival in Coney Island, the murals and decorations made the evening festive as well as attractive. Reigning over the evening were King Nick Warring and Queen Sandy Smiley. All in all, the juniors provided an evening full of fun for everyone.

The juniors also proved themselves to be outstanding performers when they presented their play, "Time Out for Comedy."

Thus the class of 1957 had not only a busy year but an exciting and profitable one as well. They have shown that they are well prepared for their final year.

# Sophomores Gain New Perspectives

Although they were newcomers to the senior class of 1958 has shown that they have many contributions to make to the school as a whole.

The event that all the sophomores eagerly looked forward to from the beginning of school was their first prom, "Evening on Broadway." Everyone worked untiringly to make the evening successful and they were well rewarded. Leading the dance which consisted of Clay Thompson, Julie McFetridge, Floyd Graham, Molly Brown, Tody Brumbaugh, Patty Bieser, Barney Munger, and Anna Koppe, were King Pete Smith and Queen Janet Mockabee.

Both the sophomore boys and girls entered enthusiastically into sports. Football letters were awarded to Floyd Graham and Charles Richey.

This year for the first time Oakwood's reserve basketball team was entirely composed of sophomores. The girls also shone when six of them won the key letter.

The reserve cheerleaders were Molly Brown, Juniors Doris Edmonson, Suzie Bonan and Judy Smith.

Other contributions that the sophomore class made to the school were in speech in which Floyd Graham, Barbara Uhl, Barbara Silverthorne, Judy Rector, and Linda Lytle participated; and in art when Anne Koppe and Sandy Grinnell helped paint the new window. Town and Country Halloween Mural. Thus the sophomore class has shown that they too will bring honors to Oakwood High School and they are eagerly awaiting their junior year.

## Ninth Grade Leads Junior High

As leaders of the junior high, the freshmen brought more honors to their class this year.

Musical talent was expressed through the band, orchestra, and choir. Doug Fritz, Linda Vosmer, John Gray, and Pam Harrington participated in the band while the freshman girls with the help of Mr. Uhl formed their own ensemble.

The freshmen were also proud of their work in speech. They entered whole-heartedly into contests and many earned enough points to be able to join the National Forensic League.

Art interested Armin Butcher and Margaret Hiler, who won honorable mention in the Scholastic Art Contest.

The class of 1959 spent more time than ever in the sports' field. Eleven boys earned football letters and are now looking forward to earning positions on the varsity next year.

A variety of new subjects were offered to the freshmen. They became interested in Latin, algebra, English and biology.

Homeroom discussions included problems presented in student council.

Their class play, *Teen Time*, was given on May

After completing an interesting and successful year the class of 1959 are well prepared to enter the senior high.

## Eighth Grade Masters Routine

Eighth graders worked and played harder than ever this year.

Sports captured the hearts of many in the class. Not only did they participate in school sports with 18 boys receiving football letters and 7 basketball letters, but they also entered into unusual sports. Cathy Gagel and Mimi Gardner participated in the annual King Tullis Horse Show with Mimi winning first, while Dick Cammerer won medals in swimming and diving.

Interest in music reigned high in the eighth grade.

Three members played in the band, while Jim Kay and Johnny Polites were talented at the piano.

Homerooms played a bigger part than ever this year in the lives of the eighth graders. Programs included discussions on current affairs and scientific subjects as well as spelling bees.

Highlights of their year were their parties, Spookerade and Frosty Frolic, given at Halloween and Christmas.

Now the class is ready to accept the responsibilities of their freshman year.

## Seventh Grade Starts New Life

Organization was the first task that met the new members of the junior high. This was done through class elections, which gave them the distinction of being the only class with all girl officers.

Besides the scholastic subjects of math, English, history and geography, seventh graders also pursued extracurricular course. Home Ec proved to be the most interesting course for the girls, who with the help of Mrs. Russell turned out many unusual concoctions during their cooking period; at the same time the boys produced bird houses, lamps and many other objects under the capable leadership of Mr. Cato in industrial arts.

Generosity and benevolency were the by-words of the seventh grade. They contributed to all the drives and also filled many Red Cross boxes. Besides this the homerooms collected food and money

for Thanksgiving and Christmas in order to fill baskets for under-privileged families.

Hockey and football were the main sports that claimed the seventh graders in after-school activity. The seventh grade team, coached by Mr. Small, spent many hours exercising and scrimmaging conscientiously, while the girls were learning the fundamentals of hockey under the watchful eye of Miss Hayner.

Parties brought many happy moments to the seventh graders. Each homeroom had a Christmas party, and the Y sponsored a number of parties; but the big attraction was the variety show that the class put on in February at the youth center.

Thus the newest larks and lills have shown that they too are well prepared for the future years at Oakwood.

## *The Varied Activities*

at Oakwood offered the students many opportunities to develop their talents and interests. The music departments, both vocal and instrumental, were especially strong this year with several groups and individual students becoming eligible for state contests. The speech department also was active this year with many students getting up at dawn to travel to contests. Journalism, art, drama — these were just a few of the other fields in which a student might participate. Besides these school activities were the many community groups sponsored or encouraged by the school. JCOWA, Junior Red Cross, Junior Achievement, and the activities of the Oakwood Branch YMCA occupied the spare time of many Oakwood students.

#### SENIOR HIGH STUDENT COUNCIL

Student Council, with Mr. Patterson as their adviser, faced and solved new problems this year. Led by Ed Huston, president, they discussed such problems as standard class rings, purchase of class rings in the sophomore year, the magazine drive and the planning and results of Dr. Duvall's program. They added two more members, a senior varsity cheerleader and the Dean of Women, to the committee for choosing cheerleaders.

Officers were Ed Huston, president; Tom Griffith, vice-president; Nancy Frechafer, treasurer; and Harvey Brickley, secretary. The council sponsored Homecoming, Community Chest Drive, provided hosts for PTA open houses, and chose special assembly programs for next year, financed by the fund from previous magazine drives. In March, four representatives went to the South Western Buckeye Student Council Meeting at Vandalia to discuss similar ideas and problems of high schools.

Junior High Student Council, under the leadership of Mr. McGowan and president, Cynthia Must, discussed similar problems. They also selected the junior high cheerleaders.

With citizenship, scholarship, leadership, and character as its standard, the National Honor Society, Oak Tree Chapter, got its way for the year with an induction assembly Monday, October 17, by taking in twenty new members, seven seniors and thirteen juniors.

Meetings were held every Wednesday noon, under the direction of Miss Baker, faculty adviser. Officers this year were Harvey Brickley, president; Judy Graham, auditor; John Mumma, vice-president; and Kitty Lewis, secretary.

The annual Christmas tea, held at Sally Madden's, brought back many alumni.

Besides finishing last year's project of repairing the outside clocks, the group also provided prizes for all who placed in the state in the Senior Scholarship and State Scholarship Tests.

Members took turns working in the store which was open every noon to furnish students with school supplies and was probably the most welcome project of the society.

At the end of the year all members enjoyed a picnic at John Bryant State Park. It was held in conjunction with the senior high chorus and clubs on June 2.

 sent overseas. Some members made table  
 cloths and wrapped packages for hospitals  
 and services carried on by members included do  
 ing clerical work at the Veterans' Administration  
 and attending rallies and meetings at the downtown  
 bureau. Book covers were sold at various intervals  
 during the year. Several members donated their  
 services to the Speakers' Bureau of American Red

# World Affairs Interest Students

This year the Junior Council on World Affairs led by their capable officers—Jane Rininger, president; Linda Mansfield, vice-president; Judy Gaham, secretary treasurer; and Sylvia Pinnell, ICRA representative—enjoyed many interesting discussions and programs. Adviser for the year was Mr. Kuhns. Meetings were held every other Monday noon. Program chairman, Linda Mansfield, planned many interesting programs. Membership was open to all senior high students.

In the fall of the year Linda Mansfield, Sylvia Pinnell, and John Dynes appeared on the TV program, "Headline Hunt". At Thanksgiving, Oakwood and Fairmont were hosts for the World Trade Forum at the NCR. John Kuntz from Oakwood and Nancy Ede from Fairmont were co-chairmen for the event.

Eleven members from Oakwood attended a smorgasbord in February at Grace Methodist Church for members from all JCOWA councils in the county. The Council also collected money for Reverend Rieb's mission in Brazil.

During spring vacation JCOWA members in the Dayton area went to Washington and New York. Seniors who went were Jane Rininger, Sandy Shively, Peg Wilkerson, Pat Richey, Sally Williams, Su-

san Tillbrook, John Dynes, John Kuntz, and Bob Sheap. Juniors were Joan Schneider, Jane Nicholas, Pat Hall, Linda Cunningham, Peggy Pees, Martha Ross, Sue Courchene, John Fleischauer, and Ben Brown. When they returned from three days in New York and three in Washington, they had many interesting things to tell the council.

The following table shows the results of the analysis of variance for the effect of the type of soil on the yield of the different varieties of wheat. The data are given in bushels per acre.

Soil	Wheat	Yield (bushels/acre)
Clay	Wheat A	12.5
	Wheat B	10.8
	Wheat C	11.2
Silt	Wheat A	11.8
	Wheat B	10.5
	Wheat C	11.0
Sand	Wheat A	10.2
	Wheat B	9.8
	Wheat C	10.0

The analysis of variance shows that the type of soil has a significant effect on the yield of the different varieties of wheat. The yield is generally higher on clay soil than on silt or sand soil.

## *N. F. L. Trains Champion Speakers*

National Forensic League under Mrs. Wood's direction started its season with a rally at White Cloud Camp for all members and prospects. Mr. McGee and Bill Loftus were guests of honor.

The biggest thrill of the year was early in the fall when Mr. Bruno Jacobs, executive secretary of

H

the National Forensic League gave Oakwood, one of the four winners in the nation, the Leading Chapter Award in an assembly program. This award signified that Oakwood was an active chapter with the greatest number of new members and highest total of points. Oakwood is first of three schools in the nation to ever receive this award for the third time.

Prince of Peace was the first contest of the year. The preliminary, held at Oakwood, produced ten winners. Nineteen members won in church contests. Judy Rector and Linda Lytle, won in the District Contest.

School morning contests began with the All Boys Contest at Columbus North, followed by girls at Middletown, Spring Lake, Juhenne, Delaware and Fairmont.

The High School Speech League, February 5. Kiren [redacted] won a first in oratory, qualified for the state finals. The Debate team tied for second. On March 2 and 3 at Athens, five more students were eligible to go to the state finals. March 16 and 17. Among these were Peggy Pees and Ed Gray, extemp; Floyd Graham and Karen [redacted] oratory; Glenn Cooper, humor; and Shari [redacted]

The past year was a busy and successful year all members enjoyed the annual banquet at Highview  
 Tuesday, May 14

Dramatics has always been one of the favorite electives of Oakwood. Under the direction of Mrs Wood, students studied all the arts of dramatics

The Senior Dramatics group studied all phases of dramatics including pantomime, voice projection, and theater dynamics. In the spring they gave a one-act play, *This Way to Heaven*, in the Ohio High School State Dramatic Contest. All members of the class were in the senior class play, *Stardust*

Junior Dramatics also studied pantomime and the same phases of dramatics and in addition they entered contests of poetry reading, radio drama, and radio announcing. *Time Out for Ginger*, the junior class play, included all the junior dramatics students and was a big success

Sophomores presented on April 27 *Once in Every Family*, the story of a father who was left at home alone with the family one week-end while his wife went to a college reunion. Freshmen participated on a play suitable to their age group entitled *Teen Time*. Since the cast was large it gave many freshmen an opportunity to display their talents

## *Student Actors*

Seniors this year presented *Stardust* on November 18 and 19. Everyone enjoyed this hilarious play which was the story of a School of Dramatics and Allied Arts, owned by a fanatical Russian actor. His routine of teaching was thrown into an uproar when a Broadway actress, who came to make a personal appearance, contradicted all of his teach-

ing methods. Some of the main characters were played by John Kuntz, Judy Tapper, Sally Williams, Elizabeth Slagle, and Jane Rininger.

Just before the Christmas holidays everyone participated in the annual Hanging of the Greens. While the girls marched down the hall and hung ornaments on the tree in the main corridor, the rest of the senior high sang Christmas Carols under the direction of Mr. Uhl.

Also during this Yuletide season the senior high girls and women of the faculty enjoyed the annual Christmas dinner in the library. After a delicious turkey dinner the girls' ensemble led the group in Christmas Carols.

The senior high girls took on a look of spring April 6 for the annual Girls' League Dance. "Symphony of Spring" was the theme. The girls had a wonderful time to the turnabout dance and decorated the gym.

Mother's Day was celebrated at the annual Mothers' Day Tea in the library where mothers and daughters gathered. Tea and cookies were served and a program was given in the auditorium.

Final undertaking of the year was the Big Sister Party for the ninth grade girls. Here girls entering the senior high became acquainted with juniors and sophomores.

**Abstract.** The purpose of this paper is to study the asymptotic behavior of the solutions of the Cauchy problem for the Burgers equation with respect to the initial data. It is shown that if the initial data are bounded functions satisfying some conditions, then the solution tends to zero as time goes to infinity. If the initial data are unbounded functions, then the solution tends to infinity as time goes to infinity.

## *To Meet Deadlines*

Acorn Staff began the year by getting ads, followed by such tasks as planning layouts, taking and measuring pictures, and writing copy. Adviser Miss Campbell and Co-editors Judy Graham and Kathy Young kept everyone busy meeting deadlines.

Just before spring vacation the class found that their long hours of work had led them to their product — the 1956 Acorn.

Co-editors Karen Black and Harvey Bricklev with adviser Miss Crisman had the Oakleaf staff busy on the production of the school paper which is published every two weeks to keep the school informed on sports and the latest news. Getting ads, planning layouts, and writing stories were the tasks of the staff. Interviews with Charlton Heston and Santa Claus also made interesting reading.

Quill and Scroll, with Miss Campbell and Miss Crisman as advisers, inducted fifteen members in January from the Acorn and Oakleaf classes. Officers for this year were president, Judy Graham; vice-president, Bob Grenell; secretary-treasurer,

Carolyn Brown; program chairman, Gretchen Kruse. Many interesting programs were enjoyed at meetings held the first Wednesday of each month.

## *Cheerleaders Create School Spirit*

Go! Team! Go! Throughout the football and basketball seasons, cheerleaders in new uniforms of white skirts and navy sweaters with gold letters kept the school spirit warmly alive.

Heading the varsity cheerleaders for this year was Judy Zarbock, a senior. Other seniors included Saragail Runyon, Sandy Shively, and Dee Koenig; the juniors were Sally Madden and Laura Johnson alternate. To give the team a boost before games these cheerleaders organized send-offs for away games and pep assemblies for important games.

Not to be outdone, the reserve cheerleaders, all sophomores, supported their team during the basketball season. At freshman football and basketball games, their cheerleaders kept their class spirit alive and their team "on the ball."

Promoting interest in athletics at Oakwood High School is the aim of the Varsity "O". Members proudly wear their white sweaters with gold school letters, symbols of a Varsity "O" member.

Requirements for membership are a varsity letter in a major sport plus passing grades in academic work. The number that met the requirement this year was forty three.

The officers—Harvey Brickley, Frank Holloway, Nick Warring, and Whit Johnson—presided over the meetings held at the YMCA.

This year under the aid of Mr. John Small, their adviser, the Varsity "O" planned many activities. April 21, they gave a dance in the gym, the proceeds of which went to the Olympic Fund. Others were giving a trophy to the outstanding athlete and sponsoring a picnic in the spring.

Under the direction of Mr. Walker, the band has been improving and taking a more active part in school activities. During the football season they gave good half-time performances each week, climaxing the season with a light show entitled "Sentimental Journey". The pep band played for pep assemblies during both football and basketball seasons.

Annette Wilson, the drum major, assisted by the majorettes Nancy Von Hoff, Linda Yates, Carol Strawser, and Judy Mathews also did a fine job of leading the band.

Band captain and student director, Richard Coy, kept the band under control. The first project of the band was sponsoring the Wright-Patterson Air Force Band assembly program in November.

At the end of the football season the marching band changed to a concert band and presented its first formal concert of the year, "The Half Century Concert", February 21. Soloist for this program was Darwin Bruce. The second concert in the spring, May 4, featured as its soloist Richard Coy.

The Junior Band, consisting of Junior High students only, gave two concerts—one for assembly and the other for the band parents.

Darwin Bruce, tuba player; Bonnie Wayne, flutist; and Dennis Bruce, saxophonist, received second ratings in the district.

The band went to Celina for the Ohio Band Festival May 11 and finished the season with an Outdoor Community Concert late in May.

Basketball King and Queen, Carol Evans and Bob Gaunt

## *and Basket Ball*

After the Fairborn basketball game, everyone attended the annual "Basket Ball" at the "Y" which was decorated in blue and gold streamers in honor of the team and the royal court. Elected king and queen were Bob Gaunt and Carol Evans. The other six candidates chosen by the senior boys were Karen Black, Lane DeMarse, Julie Flint, Sandy Shively, Kay Wurtz, and Judy Zarbock. The other six seniors boys on the basketball team, who acted as escorts to the candidates, were Bob Barnes, Harvey Brickley, John Crouse, Barry Gilbert, Doug Hinton, and John Mumma.

After Don Gebhart and Nancy Craig crowned the king and queen, the court started the dancing for the evening. The dance, which celebrated the close of the basketball season, was complete with entertainment, dancing, and lots of fun for everyone.

"Christmas Carol", the senior prom, recreated an old-fashioned Christmas in the Dickens era for all who attended. Gathered crepe paper wreaths framing quaint old Christmas scenes added a new and different effect to the murals. Co-chairmen for the decorations were Kay Wurtz and John Kuntz with Karen Black also assisting on the art work.

Judie Tapper and Burton Must reigned over the prom in an authentic old-fashioned sleigh. Their court consisted of Harvey Brickley, Karen Black, Sandy Shively, Doug Hinton, Barry Gilbert, Jan DeMarse, Ashley Thompson, and Barb Oelman.

All danced to the music of Robert Hecker's band and sang Christmas Carols at intermission.

Reigning over the junior prom, "Amid Amusements," on November 23 were Sandy Smiley and Nick Warring with Sue Stickel, Diana Prugh, Sally Madden, Nancy Craig, Jerry Munson, Bill Oseit, Cap Phillips, and Bill Jump as their royal court. The theme of the prom was a carnival. Among the many attractive murals the center one of pop corn and cotton candy added variety and originality in three dimension. Small carousels made clever table decorations. The fair was a success. The Trolley and the Ferris wheel, the carousel and the Dodge cars, were other centers of interest.

The Fairmont A & M Band provided wonderful music for dancing, and the "Fortunettes", a junior girls' quartette, and the Boys' Ensemble provided entertainment at intermission.

At "Evening on Broadway", the sophomore prom, February 4, Pete Smith and Janet Mockabee were crowned king and queen. Attendants were Claiborne Thompson, Julie McFetridge, Barney Munger,

## *Youth Council Plans Activities*

Senior Youth Council, under the guidance of Mrs. Ralph Morris and Mrs. John White, started early in their task of planning the year's activities and dance at the "Y". The council met once a month under the direction of Mr. Martin. Officers were Don Gebhart, president; Dave Grout, vice president; and Laura Johnson, secretary.

Standing: Pat Huston. Seated: Mr. Martin

Camp Kern Day, late in September, was the first activity of the year. Such problems as drinking, smoking, driving, dating hours, and types of parties were discussed; and a new attraction was that of a guest speaker, Professor Frank Slutz, an authority on teen-age problems. Activities for the day included swimming, hiking, dancing, and other sports. After the annual candle-light ceremony around the pool, all returned to catch the buses for home.

Selling over 720 youth memberships helped make the annual Membership Drive a big success.

Open houses were held after all home football and basketball games. Due to the postponement of the Homecoming game, there was no Homecoming Dance, but the "Basket Ball" with Bob Gaunt and Polly Evans reigning as king and queen, was a highlight of the year.

First of the three big dances of the year was the New Year's Eve Dance, The GOP (Grand Old Party). The traditional blue false ceiling took on a new look with pink elephants and a pink center for the dancing area. Harvey Brickley and Doug

Hinton made a big hit in their costumes of the New Year and Father Time. In March everyone enjoyed the turnabout dance in Disneyland, with Gene Davis as the disc-jockey. The annual Beach Ball in May was again in its south sea island setting and as usual was the last dance of the season, the junior's farewell to seniors.

A few changes were made at the "Y" this year.

Pat Huston, the new secretary arrived; the new room in the basement is completed, and Mr. Martin

Tri Hi Y, which was a turnabout dance in February, had many interesting meetings this year. Hi Y, split up into four sections, had many good meetings and worthy projects. Together Hi Y and Tri Hi Y sponsored the Toy Dance late in the fall.

the teams had great followings. In the fall the stadium was filled with cheering fans rooting for the football boys despite hard luck and bad weather. The girls, also battling the cold, achieved glory for Oakwood by having an undefeated hockey team. Winter brought the fans indoors where the center of activity for three months was the basketball court. Then it was spring and time for tennis racquets, golf clubs, baseball bats, and hurdles to be brought out of storage for another spring sports season. Of course, each season ended with a banquet at which deserving players received letters for their contributions to the teams.

Kentucky State football players scored their points on two runs by Dudley Turpin. Interception of five Eaton passes by Nick Warring was the outstanding feature of the game.

Oakwood - 6      West Milton - 4

In a close and exciting game at West Milton on September 30, the Bulldogs handed Oakwood its first league defeat. Early in the second quarter the Bulldogs opened the scoring by making a touch down but didn't score again until the third quarter. After having a fine touchdown run by Bob Stillwagon called back because of a penalty, the Jacks seemed stymied. Finally Stillwagon broke loose for several good gains and then Dave Grout carried the ball over for Oakwood's lone score. Standouts on the Oakwood defense were Mike Bucher and Chuck Richev.

Oakwood - 14      Tipp City - 6

The Lumberjacks celebrated their postponed Homecoming game with an eight point win over Tipp City on Monday, October 10. Returning the opening kick-off 48 yards, Nick Warring paved the way for Cap Phillips to score on a quarterback sneak three plays later. After Tipp crossed the goal line and missed the conversion, the score remained 7 to 6 until the fourth quarter. Then after Oakwood failed on two scoring chances, Bob Stillwagon carried the ball 75 yards for a touchdown. Tom Kendell kicked the extra points.

Oakwood - 7      West Carrollton - 26

In an exciting contest at West Carrollton the Lumberjacks ran head-on with the Pirates. Jack Frier, who scored three of Carrollton's touchdowns. Despite the final score it was a close game as the Pirates scored thirteen of their points late in the fourth quarter. Oakwood's lone score

## *Oakwood Cagers Battle Rivals*

The Lumberjacks emerged from a season in which they were plagued with bad luck with a very respectable 7 and 12 record under the direction of Coach Burton. Because the team had lost four of last year's starters, it was a surprise to Oakwood's followers when the team opened with an impressive 65 to 51 victory over Bellbrook.

The following night at Patterson they appeared to be headed for an outstanding season when they trounced the Beavers by 30 points.

The next week, however, it was learned that one of Oakwood's players, who had played a total of two minutes and scored no points, had been ineligible, and Oakwood was forced to forfeit the two victories. Only once again during the season did the Lumberjacks regain their opening game form.

The next week the team lost to Lebanon, who had defeated Patterson by 1 point, 70 to 56.

Despite 19 points by Gaunt and 18 by Crouse, Oakwood lost its next game to Fairview.

The Lumberjacks finally broke their losing streak

downing the Alumni 64 to 53.

The Lacks carried a 1 and 4 record into the Christmas tournament at Beavercreek. In the first round, they downed West Carrollton 59 to 51. Although they bowed to Bowersville-Jefferson 46 to 60 in the finals, they returned home with a second place trophy.

The Lumberjacks then began their league play, but lost to undefeated Eaton.

Returning once more to their opening season form, the Lacks, led by Gilbert, Gaunt and Hinton, smashed Northeastern 64 to 44.

Doug Hinton's 23 points showed the way to an upset victory over West Milton. In this game Crouse scored 16 valuable points. It was the only league win of the year for Milton, who went on to share the title with Eaton.

In their next outing, led by Gaunt's 29 points which was one short of the Oakwood record, the Lacks put up a valiant battle before falling to a powerful Troy team.

The Oakwood Reserve team showed a great deal of promise this year. For the first time in many years the entire team was made up of sophomores. Although the team only won two games, they still provided a great deal of hope for future victories.

It should be realized that the primary purpose of playing reserve games is to gain experience. With this in mind Coach Burton substituted freely; and, although it did cost the team many victories, it provided most important experience.

There were many outstanding individual players. ~~Among them were~~ Bill Stephens, T. Gleim, P. Smith, C. Thompson, B. Munger, Haacke, Barber, Houser, Richey, B. Thompson, and Barney Munger also showed great promise, and they should prove very valuable to next year's varsity.

All of the members of the team were awarded Reserve numerals at the annual Basketball Banquet.

## *Lumberjacks Star on the Links*

The Lumberjacks are looking for their first golf a very respectable record of seven wins, two losses and one tie. This record enabled them to finish in a tie with Fairview for second place in the city.

If it is true that experience is the best teacher, the golf team should be off on the right foot. The only graduate from the fifty five team was Bob Hiltv. Mr. McGowan is very fortunate in having four returning lettermen to fill the top four positions.

When the season opened, the lineup for the Lumberjacks was as follows: first man, Whit Johnson; second man, Ed Wellmeier; third man, Barry Gilbert; fourth man, Dave Young; and fifth man, Skip Kemp.

The team practices every Tuesday at the Dayton Country Club and plays its matches on Mondays and Thursdays.

The first match of 1956 resulted in a 14½ to 11½ victory over West Carrollton.

Other teams on the Oakwood schedule are Roosevelt, Wilbur Wright, Fairmont, Kiser, Patterson, Chamade, Fairview, and Dunbar.

The regional matches will be held on May 18 and the state matches are scheduled for May and 26.

## Speedsters Are Defending Champs

With eight returning lettermen leading the way, the track team is looking forward to a good track season.

First year Coach Small is now in the S.W.B.L. crown by the track team, at West Mead in the league meet.

A great deal of the team's success will depend upon the condition of dash man Dave Grout's knee, who was injured during the football season. However, Dave is rapidly picking up by Coach Riber, Bob Barnes, and Bob Stillwagon.

In the distance races Coach Small has miler Don Cockerill back. That position seems fairly solid as Don won all of his dual meet runs last year. Bob Moeller leads the way in the 880 and John Smith, Bob Barnes, and Dave Billing are all returning in

the 440 yard race.

## *Jacks Aim For Another City Crown*

Tennis was again a highlight in spring activities. Mr. Hummon, who coached the first Oakwood tennis team 27 years ago, was frequently seen out practicing with the boys.

Five lettermen — Alex Champion, Tom Kendell, Bob Nevin, Nick Warring, and Doug Hinton — returned this year to fill the top positions. Tom Holton, who was the city 15-and-under champion last year, was also a welcome addition to the team. With 14 boys signing up this year, challenge matches for team positions were regular occurrences.

The boys hoped to keep the fabulous record that had been set in previous years. Oakwood has been Greater Dayton league champions for the last eight years and has 58 straight team match wins in league play. Middletown has been the only stumbling block for the team in recent years.

This year's matches were scheduled with Fairmont, Patterson, Roosevelt, Northridge, Fairview, Chaminade, Stivers, Middletown, Kiser, and possibly Miamisburg and Wyoming. The many enthusiastic tennis fans at Oakwood followed closely the matches which were played at Walnut Hills. This summer most of these boys are planning on entering many tournaments to add to their tennis experiences.

## *Junior Jacks Build For The Future*

In the junior high where Oakwood's future stars are developed there was a great deal of athletic action. The coaches of these underclassmen spent many long hours in order to prepare them for varsity competition.

Although the freshman squad, which was led by Coach Cato, lost three of its four games, they showed a great deal of promise. Some of the freshmen who showed outstanding potential were Dave King, Ned Allen, Dave Kramer, Skip Kuhns, and Tom Wasmuth.

The seventh and eighth grade squad, under the direction of Mr. Small, won one game, lost one, and tied two. Some of the boys who saw plenty of action were Bruce Comisar, Jack Anderson, Bob Herbruck, Howie Fogt, and Phil Munger. Most of the scoring was done on passes from Bruce Comisar to his favorite targets Anderson, Herbruck, and Fogt.

In basketball the freshmen had a very successful season winning six and losing four. Under Coach Armbruster the squad downed Randolph, Beaver Creek, Phillipsburg, and Miamishburg. Phillipsburg and Beaver Creek were victims twice. The squad dropped four games by losing twice to West Carroll

ton and twice to OSSO. Boys who proved to be definite varsity prospects are Fred Setzer, Randy Thrasher, David King, Bob Brownell, and Bill Bippus.

The seventh and eighth grade squad also had a successful season. Under the direction of Mr. Miller they finished with a highly respectable five and five record. The victories included wins over Beaver Creek, West Carrollton, and Phillipsburg. High point men for the seventh and eighth grade team were Phil Munger with 146 points, Bob Griesmeyer with 55 points, and Don Huxley with 33 points.

Students who reported for junior high tennis were Bob Herbruck, Jay Back, Bob Oelman, Dick Whitaker, Steve Johnson, Craig Johnson, John Sisson, Dave Thomas, and Ray Kelch.

Returning lettermen from last year are Bill Kendall, Bob Oelman, and Jay Back. However, they are being pressed hard by Dave Thomas, Ray Kelch, and John Sisson. Thomas and Sisson were the two finalists in the midget division of the Journal Herald Tennis Tournament last summer.

Coach Wysocki had a real surprise when fifty-four boys reported for the junior high track team.

## Lumberjills Go Undefeated

As a special tribute to the Fairview team marking her twenty-fifth year of existence in 1925, the hockey team had an undefeated season with seven wins. Their victories included two over the United Cincinnati, and one each over Northside, Fairborn, Fairview, Fairmont, and West Cincinnati.

South of their win was a 1-0 victory over the home team from Northridge, a 1-0 victory on September 18. The reserve team also won with a 1-0 victory over Texas Tech. The team is a good promise but it is a long time to wait for a time should be a good time to wait.

Defeating the U. of Cincinnati 7-0 on their home field was the most unusual victory of the season. The score of this game, played on October 13, tied the scoring record of the Jills against Cincy. However, this glorious victory was offset by the defeat of the reserves with a score of 2-1.

In their first home game the Jills racked up a booming 13-0 victory against Fairborn on October 19. The reserves came through with a 8-0 triumph.

Showing rather good competition for Oakwood, Fairview put up a fighting struggle, but the Jills won 4-1. In this October 26 contest, which was played here, the reserves were also victorious with a 5-1 win.

In a return game here with U. C., who showed great improvement over the previous game, the Jills scored a 3-2 win on November 8. Kitty Lewis made the winning goal in the last minutes of the game.

When Oakwood played host to Fairmont on November 10, Betsy Greer, high scorer for the second year, tallied three goals for a 3-0 win. Ann Lewis made the only goal in the 1-0 victory of the reserve team.

Climaxing a successful season with a game against West Carrollton, also undefeated up to this point, the Lumberjills scored an exciting 2-1 victory here on November 22. There was no score when the

reserve game was called because of darkness.

To close officially the very successful season of the Lumberjills, the seniors won the senior-underclassmen game. To show their appreciation the team presented gifts at the annual banquet to Coach Hayner and Mrs. Elizabeth Jones, who so faithfully assists Miss Hayner.

Individual scores were as follows: Betsy Greer, 15; Kitty Lewis, 14; Jane DeMarse, 3; Laura Johnson, 4; Judy Zarbock, 1; Betsy Gerard, 5; Martha Ross, 3; Wini Fleishauer, 3; Ann Lewis, 2; Judy Adelberger, 2; Nancy Craig, 2; Carolyn Brown, 2; Nicki Peth, 1.

Four seniors were awarded gold hockey sticks for earning three letters: B. Greer, J. DeMarse, K. Lewis, and M. Slagle. Jane DeMarse was appointed honorary captain. Hockey letters were awarded to the following girls: seniors—Angi, DeMarse, Derby, Flint, Graham, Greer, Heathman, Hibberd, Kling, Koenig, Lewis, Lyon, Oelman, Rinsinger, Runyon, Shively, E. Slagle, M. Slagle, Smith, Tilbrook, White, Wurtz, Williams, Young, Zarbock, and Zitter; juniors—Adelberger, Brown, Courchene, Craig, Cunningham, Frechafer, Gerard, Hummon, Johnson, Lewis, Morris, Mitchell, Mansfield, Pees, Prugh, Riber, and Ross; sophomores—Boian, Braun, Corwin, Fleishauer, Gardner, and James.

## *Gills Display Action*

With six returning lettermen, the girls' tennis team had a successful season this year. Back from last year were Betsy Greer, Jane Rininger, Laura Johnson, Judy Adelberger, Judy Graham, and Kitty Lewis. Coming up from the junior high team were Karen Johnson and Cindy James. Betsy Greer, Jane Rininger, and Laura Johnson again had the three singles spots on the team as they did last year.

The team was scheduled to play seven matches which kept them quite busy during April and May.

They played two matches each with Middletown, Hamilton, and Fairmont, and were hoping to play a match with Springfield again this year. Last year Middletown was the only team to defeat them.

Some of the girls not only practiced hard and showed much interest but also did well in last summer's tournaments. Betsy Greer and Jane Rininger were the 1955 *Journal-Herald* Tennis Center champs in girls' doubles and Betsy was runner-up in singles.

## On Tennis Court

Spring weather brought many junior high girls out on the tennis courts to practice and try out for the tennis team. Returning from last year's team were Barbara Nichols, Cathie Gagel, Lee Kampf, and Terry Taylor. There were many challenge matches for the remaining berths on the team.

Last year the team had six matches and lost. This year the team was able to schedule only two

matches: Roosevelt and McKinley junior high schools of Middletown. Although the girls had few matches, they did well and gained good experience.

Not only did some of these girls shine on this year's tennis team but they also did well last summer in tournaments. Barbara Nichols was runner up in the Girls' division in the *Journal-Herald* Tennis Center Tournament.

## *Birds And Balls Fly High*

Badminton nets and ping-pong tables make up a familiar sight at the close of the girls' basketball season.

Much practice goes on in the gym classes and after school as the girls get ready for the annual tournament. There are four events for each of the

junior and senior highs: ping-pong singles and doubles and badminton singles and doubles. Many stars are discovered as the tournament progresses.

The girls show much interest in badminton and ping-pong until the warm weather takes them out of-doors again to play softball and tennis.

## *To The Patrons*

of this 1956 ACORN we want to express our appreciation. Producing a yearbook with no financial support from the school makes it difficult to keep the book within the price range of the students. Ninety three parents and friends of Oakwood students became Patrons, and one hundred twenty-seven firms or groups bought advertisements. We also want to thank the students and teachers who co-operated in making this yearbook possible
